

ADVANCED STUDY GROUP 2016 INDIANAPOLIS

We are attempting to form an ADVANCED BONSAI STUDY GROUP to start in Indianapolis for 2016 led by RODNEY CLEMONS. The program would consist of two classes [Saturday and Sunday] with 6 to 8 people per class. We would meet for 8 hours, three or four times a year. Participants should have some knowledge of tree care and a willingness to learn. They should have or obtain 3- 4 trees of different species to work on during the changing seasons. Participants would provide their own trees, soil, pots , tools and a plastic cover for the tables. All participants are expected to be willing to work as a team when needed, and help clean up at the end of the day.

If you would be interested in this program, please fill out the survey below and return to Carl Wooldridge. 765-914-1029. carlwool@hotmail.com
